**NOTICE OF NON-INSTITUTION**

No response required.

**Issue date:** November 03, 2022

On September 20, 2022, the United States Patent and Trademark Office (USPTO) received Petition No. 2022-100181 for reexamination of U.S. Registration No. 5795348, pursuant to Trademark Act Section 16b. 15 U.S.C. §1066b. The Director's authority to make determinations and issue notices and decisions related to this matter has been delegated to the undersigned. 35 U.S.C. §3(a)-(b).

After review of the petition, the USPTO will not institute the proceeding for the following reason.

The proceeding will not be instituted because petitioner has not established a prima facie case of nonuse of the goods identified in the petition. The USPTO will only institute a proceeding when a petitioner establishes a prima facie case of nonuse of the identified goods. 15 U.S.C. §§1066a(c)(1), 1066b(d)(1); 37 C.F.R. §2.92. A prima facie case requires a reasonable predicate concerning nonuse be established. *See In re Pacer Tech.*, 67 USPQ2d 1629, 1631 (Fed. Cir. 2003).

In this case, the petitioner has not provided evidence that establishes a reasonable predicate to support a conclusion that the mark was not in use as of the relevant date on or in connection with the identified goods. Petitioner's evidence is primarily comprised of information provided by the registrant regarding use of the mark and his business model, and it does not establish nonuse as of the relevant date for this proceeding.

**The determination of whether to institute an expungement or reexamination of a proceeding is final and non-reviewable.** 15 U.S.C. §§1066a(c)(3), 1066b(d)(3); 37 C.F.R. §2.92(c).

## USPTO OFFICIAL NOTICE

**Petition No. 2022-100181**

Official Letter has issued  
on November 03, 2022 for Petition in  
**U.S. Trademark Registration No. 5795348**

A USPTO examiner reviewed your petition to reexamine or expunge the above registration and issued a decision in an official letter. No response is required.

(1) [Read the official letter](#). This email is NOT the inquiry letter.

(2) **Direct general questions** about using [USPTO electronic forms](#), the USPTO [website](#), the petition process, and whether there are outstanding deadlines to the [Trademark Assistance Center \(TAC\)](#).

After reading the official letter, address any question(s) regarding the specific content to the USPTO examiner identified in the inquiry letter.

## GENERAL GUIDANCE

- [Check the status of your petition periodically](#) in the [Trademark Status & Document Retrieval \(TSDR\)](#) database to avoid missing critical deadlines.
- [Beware of trademark-related scams](#). Protect yourself from people and companies that may try to take financial advantage of you. Private companies may call you and pretend to be the USPTO or may send you communications that resemble official USPTO documents to trick you. We will never request your credit card number or social security number over the phone. And all official

USPTO correspondence will only be emailed from the domain "@uspto.gov." Verify the correspondence originated from us by using your petition number in our database, [TSDR](#), to confirm that it appears under the "Documents" tab, or contact the [Trademark Assistance Center](#).

- [Hiring a U.S.-licensed attorney](#). If you do not have an attorney and are not required to have one under the trademark rules, we encourage you to hire a U.S.-licensed attorney specializing in trademark law to help guide you through the petition process.
